BODU HITHI
Maldives

Bodu Hithi island, in North Malé Atoll, is our beautiful Maldivian home. The rhythm of life here is serene. The essential tropical mood stimulates and refreshes the senses. And the mystery of the House Reef meets the open elegance of pristine palm-fringed beaches.

Coco Bodu Hithi reflects the island's character in its every dimension. Our resort is your chic retreat. Reconnect with yourself, your loved ones and the wonder of the natural world. Remind yourself what time out and travel should feel like.

Breathe the clean, sea air. Meet the Hawksbill turtles. Witness the peaceful majesty of the native Nurse sharks. Explore the exotic colours of the reef's inhabitants. Swim with Manta rays. Take a sunset cruise across calm waters. Sink your toes into the white sand and ease yourself into island life and its relaxing, dreamy pace.

All of this is yours, at Coco Bodu Hithi.

UNIQUELY COCO BODU HITHI

LOCATION, LOCATION, LOCATION

Near enough to Malé International Airport and accessible by speedboat in just 40 minutes, yet far away from the hustle and bustle to be able to enjoy unobstructed panoramic views, Coco Bodu Hithi is a gem of an island. The coconut palms, lush vegetation and flora harmoniously blend with the architecture to form naturally canopied sun speckled pathways, with lush foliage in between the Island Villas for privacy.

DESIGNED TO WOW AND WOO

One of the first luxury resorts in the Maldives to open with private pools in all the villas, Coco Bodu Hithi exudes romance and sophistication. The winner of Most Romantic Resort at the 2016 South Asia Travel Awards, contemporary and tropical elements bring together the distinctive private design of each villa category. With a feel of being made for two people, all 100 villas are surrounded by the calm view of the lagoon and the soothing sound of the waves. With intimate spaces and private experiences, the romantic backdrop of Bodu Hithi is the ideal retreat for couples looking to create memories for a lifetime.

A TRUE GOURMETS' ISLAND

There's something different to discover at each of the five restaurants and two bars on the island, all with views of the lagoon and sunset. Air is home to our breakfast buffets, a la carte lunches and extravagant themed dinner buffets. Winner of Luxury Seafood Restaurant in Maldives at the 2016 World Luxury Hotels Awards, Aqua is our fine-dining restaurant with a distinctively romantic feel. Sink into the comfort of Latitude bar's chic seating as you sip a cocktail or indulge in a snack. Stars restaurant and bar stands over the lagoon within a separate wing of the island. With classic a la carte breakfast favourites, lunch menus inspired by Mediterranean and Asian flavours, and degustation dinner menus, Stars restaurant has it all with the bar serving a full menu of tantalising drinks. Tsuki offers the true taste of Japanese cuisine where you can dine outside on the terrace or sit at the sushi bar and watch the theater of the chefs. Our Wine Loft is an oenophile's heaven with a menu of more than 200 diverse global wines. Michelin-starred chefs visit the island every year to create one-off experiences – a testament to our reputation for serving some of the best food and drink in the Maldives.

A SANCTUARY OF WELLBEING

With the whole island following the spiritual rhythm of the ocean with lagoon views and the sound of the waves encountered whether in a villa or in a restaurant, it is no surprise that Coco Spa followed in the same footsteps. An award winning wellness zone on stilts over the clear water, Coco Spa is a sanctuary for the soul. Mindful of the healing properties of nature and the ocean, the spa is designed to retreat for an escape, whether a massage in one of the 8 treatment rooms or yoga on the pavilion overlooking the ocean and beach. With a range of products from the Paris label Thémaé combining the healing properties of tea; therapists at Coco Spa are trained in techniques to treat the mind, body and soul. An over-water gym within the zone inspires our guests to keep up with their regime of active wellness when away on a holiday.

RICH MARINE LIFE

Blessed with one of the best House Reefs in North Malé atoll, the over-water villas have been built with a conscious approach to not disrupt the healthy House Reef, which is home to an abundance of colourful reef fish, resident Hawksbill sea turtles, eagle rays, octopi, and reef sharks. Just 15 minutes away is another reef dubbed the Turtle Point; one of the most loved snorkelling sites in the region where Hawksbill turtles are often spotted. Large Nurse Sharks and Sting Rays inhabit the waters at Shark Point, just 10 minutes away from Bodu Hithi. During the yearly season, Reef Manta Rays are often spotted 15 minutes away from our island at Rasfari Point or Bodu Hithi Thila.
